Ways to Care

Langley Memorial Hospital Foundation is dedicated to providing the residents of Langley with a broad range of opportunities to have an impact on the quality of their healthcare.

Here are some ways you can help:

- *Contributing an Individual or Corporate Donation*
- *Setting up a Monthly Donation*
- *Leaving a Legacy Gift*
- *Donating a Memorial or Tribute Gift*
- *Hosting a Third Party Event or Initiative*
- *Supporting a Special Event*
- *Volunteering*

Without the generosity of our donors and partners, it would not be possible for Langley Memorial Hospital to make important investments and remain at the leading edge of patient care. We thank you for your generous support!

By encouraging partnerships and charitable giving, Langley Memorial Hospital Foundation increases the community's pride, influence and ownership of healthcare services delivered at Langley Memorial Hospital and in the community.

How will you thank your caregiver at Langley Memorial Hospital?

Grateful Patient Program

Partner with us in building a healthy community

Why Your Donation is Important

Giving Form

The Grateful Patient Program provides patients and their families with an opportunity to show gratitude to those who played a special role in the care they received while at Langley Memorial Hospital.

Gifts received through this program will not only recognize the special caregiver, but also help to support capital projects, the purchase of new medical equipment and patient comfort initiatives that benefit thousands of patients and their families.

Whether you choose to salute a special doctor or nurse, an entire department, or a clinical program that impacted your health, your donation is a meaningful opportunity to say “thank you”.

Your gift today will invest in better healthcare for the future of Langley residents

“The care I received from Dr. Chan and the entire team at Langley Memorial Hospital was great! I was nervous about my knee replacement surgery, but the support I received from Dr. Chan, the nurses, operating room staff and physiotherapy made me feel more relaxed and comfortable. Because of the positive support I received, I feel my recovery time was quicker than I had expected. I am very grateful for the care I received and know I can count on my local hospital to provide good care when I need it.”

Deanna Horn, Grateful Patient

“Our hospital constantly needs to upgrade the medical equipment to provide our citizens with the most current treatments. The financial support of grateful patients, like Deanna, has allowed the Foundation to purchase needed medical equipment and improve the quality of care at Langley Memorial Hospital.”

Dr. Albert Chan, Orthopaedic Surgeon, LMH
