Making a Gift in Memory of a Loved One

**Partner with us in building a
healthy community**

An *In Memory* Gift

An *In Memory* donation is a meaningful and thoughtful tribute to a family member or friend. Your gift will honour their memory while supporting patient care at Langley Memorial Hospital.

Your donation will be used to support the area of greatest need at Langley Memorial Hospital, however, should you wish to direct it to a specific program or unit, you may indicate that on your donation form.

Gifts of \$1,000 or more will be recognized on our Donor Wall in the main lobby of the hospital.

If you would like to request *In Memory* donations at a funeral service in lieu of flowers, please contact our office for donation forms:

Why Give?

Everyone has a reason for giving—to express gratitude for care provided, to give back to the community in which they have lived or worked, to leave a legacy or remember a loved one; but the common goal that brings the Langley community together is the desire to ensure that our hospital is able to provide quality care now and in the future.

‘Those who touch our lives with love, live in our hearts forever’

Your gift today will invest in better healthcare for the future of Langley residents
