

BUY A MASK, STAY SAFE, HELP YOUR LOCAL FRONTLINE HEALTH CARE TEAMS.

We're excited to launch our Face Mask Merchandise initiative!

Wearing a non-medical face mask – even if you have no symptoms – is an additional measure you can take to protect others around you and stop the spread of COVID-19.

All proceeds from these custom-designed and made-in-Canada face masks will support the urgent needs of Langley Memorial Hospital.

Join the fun as a retailer!

If you have a retail location, we'd love to partner with you to help us sell the masks and raise money for the hospital.

- Masks will retail for \$20.
- 3 designs will be available for retail – LMHF brand mask, available in late July, and the winning mask designs from our adult and youth categories, available in mid-August.
- Minimum order is 20 masks.
- Let us know your location and how many you would like to order.

We'll send you stock with an invoice as soon as they are available.

NO risk for you - any stock you don't sell, we will buy back at the end of your commitment.

Order yours today before we get sold out!
